DETAILED ACTION

Allowable Subject Matter

Claims 1 – 20 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claims 8 and 18, the prior art does not show first, second, and third storage units for storing music data, music information, and identification information wherein music identification data is stored in one unit when music information is not available (and not stored in any of the storage units), wherein music information is obtained from an external apparatus and added to the music data. Regarding claims 1 and 16, the prior art does not show the three storage units (operated as in claims 8 and 18) and includes adding music information when stored locations of songs are obtained when versions of music information is updated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
